To Whom It May Concern:

Northeast Parent and Child Society and Parsons Child and Family Center, Inc. would like to respectfully request a waiver for 1920 form 471 ERATE.

I am new to this process and had erroneously noted April 1 as the due date. I received prices from our internet provider today and went online to file and noted that USAC site said claims were closed. I called and a nice young woman explained the appeal process.

Your waiver of this filing deadline would be greatly appreciated. Both applications are now completed and attached for your review.

Thank you in advance for your assistance with this waiver process.

Warm regards,

Christine DiMaio
